AROMA: Delicately perfumed with both red and dark cherry, floral notes with subtle aromas of earthy undergrowth and hints of cedar spice.

PALATE: Delicate layers of red and dark cherry fruits with hints of subtle spice. Wonderfully textured mid palate with fine supple tannins and lasting intensity.

The Vineyard: The estate Pinot Noir is a selection of only the best parcels across our 5 Pinot vineyards. Each adding a layer of complexity and flavour to this wine. Intensely layered fruit and fine supple tannins mark this vintage.

Winemaking: Whole bunches were carefully de-stemmed, with berries remaining intact.

Fermentation via a combination of wild and inoculated yeast took place in small open vats, with 10% whole bunch included in the ferment. A combination of hand plunging and pumping over was employed throughout ferment. The resulting wine was gently pressed in a state of the art basket press and aged on lees in French oak barrels in our cool underground cellars for 9 months. Bottled under screw cap to preserve intensely perfumed aromatics and expressive fruit.
